VariMAX™

SALTWATER

WHEN THEY'RE STEPPING OFF THE WATER, DIGITAL IS JUST GETTING WARMED UP.

VariMAX technology gives you the freedom to fish all day with unmatched control of your boat, day in and day out. Anglers will be quick to recognize the rugged, functional styling of VariMAX highlighted by the intuitive push/pull, forward and reverse speed adjustments. The BluVis function display shows direction (forward/reverse), precise speed settings, and 10 levels of battery voltage when turned off. These motors are designed to have the longest run time of any motor in its class and the advantage of precise variable speed adjustment. Fish longer, fish at exactly the speed you want, and fish quieter with VariMAX.

DIGITAL &

FEATURES

Digital Variable Speed Control minimizes amp draw and maximizes fishing time – fish over 3x longer than a 5-speed motor

Legendary Great White corrosion protection and durability

Large diameter 1.25" aluminum shaft for greater strength and durability

Powerful 3.5" diameter VariMAX Digital motors run cooler and last longer

Revolutionary intuitive push / pull, forward and reverse speed adjustments

Precise BluVis integrated speed and battery indicator

Aluminum Mount with 7-point adjustment eliminates slack

One-touch, rapid slide-depth adjustment collar

Extendable Tri-Lobe, soft-touch handle, you set the length for the perfect feel and control

Easy to adjust with a simple Allen wrench, the VariMAX's head can be repositioned for use on the bow, transom or even the side of your boat

INDUSTRY-LEADING TRANSOM MOUNT.

The VariMAX transom mount features aluminum alloy construction with a rugged powder coat finish. Stainless hinge pins provide the ultimate in strength, rigidity and durability. Includes an easy-to-use tilt/stow/deploy mechanism and swing over knobs on the clamp screws, allowing you to lock the motor to the transom.

NEVER GET STRANDED WITH THE BLUVIS™ FUNCTION DISPLAY.

BluVis shows direction, precise speed settings and 10 levels of battery voltage when turned off. (BluVis 24-volt motor example shown below.)

Model	Part No.	Peak Thrust	Shaft	Volts	Speed Control	Mount Style
Hand-Control Transom						
VariMAX V45SW Kayak	966100010	45 lbs.	18"	12	Variable	Aluminum
VariMAX V45SW	966100020	45 lbs.	36"	12	Variable	Aluminum
VariMAX V55SW	966100030	55 lbs.	36"	12	Variable	Aluminum
Hand-Control Bow						
VariMAX V55SW	966180810	55 lbs.	50"	12	Variable	Gator® Flex 360
VariMAX V75SW	966180830	75 lbs.	50"	24	Variable	Gator® Breakaway 20.8
VariMAX V75SW	966180840	75 lbs.	60"	24	Variable	Gator® Breakaway 20.8

BOW MOUNTS. Available in the most popular Great White configurations ever, the new VariMAX 55 lb. thrust model comes complete with a saltwater proof Gator® Flex 360. The 70 lb. thrust model is paired with the legendary, rock-solid Gator Breakaway mount.
