

Xi3

SALTWATER

MotorGuide®

STAY CONNECTED. STAY IN CONTROL.

There are plenty of reasons to fish with Xi3. For starters, it has wireless control out of the box, so there's no need for an expensive add-on. Fish from anywhere on the boat with the convenient hand-held remote.

With our SecureStep system, stowing and deploying Xi3 is 50% easier than the competition. Releasing the motor from its locked position and raising to stow and go takes just a single step. With available Pinpoint® GPS module, Xi3 allows you to focus on fishing while taking advantage of GPS functions like anchor, heading lock, route record and more. You'll also get best-in-class quiet operation that's up to 40% quieter than the leading competitor.

Simply put, Xi3 is a no-nonsense, high-value motor that's sure to grab your attention.

- Easy-to-read LED dashboard

Xi5

SALTWATER

MotorGuide®

THE EASIEST TO USE, QUIETEST MOTOR IN ITS CLASS

Xi5 marks a key milestone in our history. It is the culmination of a renewed focus and significant R&D investment to design, engineer, and manufacture these best-in-class trolling motors. We've made Xi5 stealthy quiet and ultra-responsive. You'll also see thoughtful details that make it safer and easier to use.

Xi5 is designed to exceed the expectations of today's discriminating angler. It's engineered to be reliable every day and is durable over the long haul. Unlike the competition, Xi5 includes wireless capability out of the box, allowing anglers to command a precise motor and have full steering control from anywhere on the boat. With the world-class Pinpoint® GPS module, Xi5 allows you to focus on fishing while taking advantage of GPS functions like anchor, heading lock, route record and more.
